

## OPEN ACCESS POLICY

### Bulletin of the Institute of Classical Studies (BICS)

The ICS does publish resources which are free to all on its website, but BICS is not a fully Open Access Journal. BICS is a subscription-based journal that offers the option to publish Open Access.

BICS is published for the ICS by Wiley Journals whose policies on Open Access are available [here](#). Authors of articles published in BICS are permitted to self-archive the **submitted (preprint) version** of the article in an institution repository immediately on acceptance, and may self-archive the **accepted (peer-reviewed) version** after an embargo period of 24 months following the date of publication. Publication in BICS is conditional on acceptance of these terms. No exceptions can be made in respect of the policies of the institutions at which authors are employed. BICS is compliant [with the Open Access policy of the UK Research Councils](#).

BICS does offer a Gold Open Access option for authors who wish to pay a fee so that their articles are immediately and freely available online through Wiley's [OnlineOpen](#) scheme.
